The speakers at the Europe Conference shared their stories of ordinary people whose lives have been changed by an extraordinary God. Pray that these stories will bring changes and transformation. We are the bearers of God's message to the nations.

Neels and Anita were blessed by dear friends, with a few days as tourists in Prague. It was a time of rest and enjoying quality time together. Back home Neels underwent an operation which went well. Pray for a speedy and full recovery.

4

Pray for Marriot and Martha whose baby is due soon. Pray God keeps Martha and the baby safe. Please stand with us in faith for couples who have a desire to have children of their own.

5

Hester visited Elma Brits in Ficksburg. Their God-stories encouraged Elma's friends. Pray for Elma who is going for check-ups after her cancer treatments. Trust the Lord for her complete healing and praise Him for revealing Himself as her Healer.

6

The DMT team in Uganda asks us to pray for their physical and spiritual protection. Pray God frees the students from their past and transform them into a sound relationship with Him.

7

Thank God for revealing Himself to the DMT students in Zimbabwe. It was challenging due to the language barriers, but the Lord guided Carel and Eunice in creative ways as they trusted His Spirit to perform a complete work.

8

The DMT students from Malawi are released to go and be the light in their communities. Pray the Holy Spirit equips them to be His witnesses.

Part of the Discipleship Training is to take the students on outreach and teach them to be aware of what is happening around them and how to intervene as the Spirit leads. Pray for these outreaches in Uganda, Zimbabwe, Malawi and Zambia.

11

Pray for Willie who is on an outreach to Zambia with a group of teachers and learners from Eagles Nest School in Polokwane. Ask God to open their eyes to the spiritual needs of people and to give them a desire to spread the Good News of salvation.

12

Pray for the Nel family who returns to SA today. Carel was the coordinator of the DMT in Malawi. He and Rentia were separated for two months. The Lord provided for Rentia, Esmé and Karli to join him the last two weeks in Malawi. God cares!!

13

Pray for Etienne and Sumarie as they establish Elpela. Pray for faith and trust and also for the projects: brickmaking, electricity, plumbing, plastering of the house. Pray for unity in the new initiative with the community leaders, taking hands with Gateway.

14

The Kalungu team faced some challenges lately. Pray and thank the Lord for the unity of the team. Pray for the water situation as they have a nursery and vegetable gardens to irrigate. Pray for a continued good relationship with community leaders.

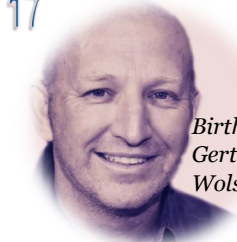

15

Pray for Simon, John and David from AGM in South Sudan who are responsible for vulnerable children. They are facing many challenges. Thank God for the donations that enable them to continue to take care of the children's well being.

23

In our involvement in different countries we became aware that the world is becoming more hostile to the Christian faith. The Bible becomes irrelevant and people do not have a purpose and a destiny. Ask God for revelations to address this challenge.

24

Pray for Neels and Sulene who are traveling to Malawi to be involved in the Advanced training. Pray for Albut who escorts them, and for their protection on the busy and bad roads. Ask God for the renewal of the minds of the students.

25

Continue to pray for Jordan and Elizabeth Mackley in Australia. Thank God for providing for them to visit the FCE supporters in a great part of Australia. Thank the Lord for these FCE friends who support, love and care and carry us in prayer.

26

Pray for the body of Christ who are serving in countries where they cannot freely proclaim their faith. Pray that they will be strong amidst persecution and hardship. Pray that they will be wise as serpents and innocent as doves. (Matt. 10:16)

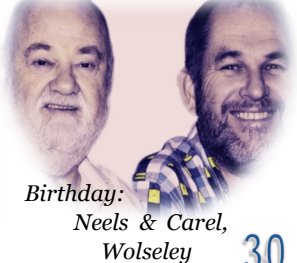

27

Pray for the DMT students who continue with further training, act as volunteers and are exposed to missions. Pray they will hear from the Lord in regards to their future. Pray for spiritual maturity and obedience.

28

Pray for Etienne as he prepares for the Nyika Plato Cycling adventure that is in the pipeline for the beginning of August. Ask God to guide their plans and pray for participants who are ready for a challenge and opportunities to reach out to others.
