The Lord opened a door at the Chitimba High School in Malawi for Alburt and Chiko. 200 youth attended the info meeting. Pray for the proposed youth meetings and trust God to handpick girls and boys who have a hunger for the Lord.

13

Today we pray for Elpela at Gateway in Zambia. They face many challenges, but they also have many opportunities to serve through adventure and creativity. Etienne and Sumarie's hearts are to reach, touch and heal.

14

The DMT students from Pringle Bay and Gateway are ready to be send out. Pray that now that they know what it takes to be a disciple of Jesus Christ, they will walk with Him daily, make the right choices and act according to His principles.

15

Today Zhak, Bernice and Reinette start with a DMT course with the teachers from Eagles Nest and Rabonni. Our teachers need God's wisdom to guide the generation of today in the full Truth and teach them skills to overcome.

16

The discipleship training in Kalungu is integrated with agricultural training. Thank God for Boet, Celia, Tanya, James and Lindie who train them to be farmers who are faithful stewards. Thank the Lord for good crops that put food on the tables.

17

Many of our students will complete their discipleship training soon. Pray as they are seeking the Lord for wisdom about what they should do next. Pray for clear direction and boldness to make decisions.

18

Dirk and Lize from Daniel Consult arrived safely in Nagaland. They are welcomed and hosted by FCE friends. Pray as they visit, share, and encourage friends and ex-students. Pray for their safety and health.

19

The next DMT course for Malawi is planned in April. Join them in prayer for candidates, hand picked by God. Applications were received from Kenya and Tanzania. They are trusting the Lord for at least 5 Malawians.
