Discipleship Mission Training
Gateway, Zambia
17 May - 18 July 2021

Discipleship Mission Training
Wolsey, South Africa
5 Oct - 21 Nov 2021

In faith we started with Discipleship training, during the lock-down, in various countries. Praise God for keeping everybody covid-free, for safe traveling and for His faithfulness. Above all, rejoice because of those who came to know Christ and those who were trained to step out as disciples. **1**

May PASSOVER fill us again with faith that: "We always carry around in our body the death of Jesus, so that the life of Jesus may also be revealed in our body." (2 Cor 4,10) **2**

Birthday Gloria Kalungu

Birthday Reinette Polokwane

Many communities in the different countries, where our aim is to make Christ known, are facing job-loss, food shortages, financial challenges etc. Pray for a strategy and provision as we desire to clothe the naked, visit the sick and feed the hungry (Matt 25:35, 36) **5**

Applying for visas and work permits remain a challenge for missionaries. Pray for Jordan Mackley who is in the process to apply for a SA permit and keep Carel Els and his family in prayer as they wait for a breakthrough for their permits and visas to go to Zimbabwe. **6**

Sulene is visiting friends and family in South Africa. Trust God for good connections, His provision and grace to be able to encourage others. As a DMT-course coordinator she plays a major role in writing on-line curriculum for the DMT training. Pray for wisdom. **7**

Thank the Lord for the 3 young men from Malawi who commit to discipleship training. Pray for Alburt, Este and Christine as they trust the Holy Spirit to guide them in love and understanding to serve these young men with the truth of the Gospel. **8**

Birthday Piet [Haggai] & Carel [Zimbabwe]

9

Boet and James from Isale farm, in Zambia, continue to model farming methods and stewardship in order to ensure food security. Pray for farmers who are open-minded and committed to the program. Pray that the batch of 1000 chickens will arrive alive on the farm. **10**

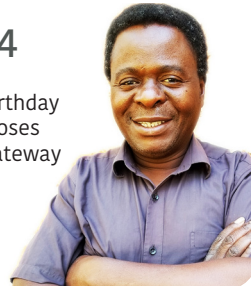

Steve from Australia has prepared a shipment with computers for the ministry of FCE. Thank the Lord for this provision. Pray for Annalise who has to prepare the many documents and red tape. Pray for paper work that causes delays. **11**

Praise God that Elma Britz arrived safely at her new destiny. Thank Him for the 19 years she served in FCE as a community worker; sowing the seed of the gospel, nurturing it with love and commitment. Pray with her that the Lord of the harvest will bring in a bountiful harvest.. **12**

Jannie, Elise, Alburt and Spencer plan visits to FCE alumni and friends in Malawi from the 13th - 26th April. Pray for safe traveling, financial provision and opportunities to share, to testify and to encourage. Ask God to strengthen the relationships in order to declare His glory in Malawi. **13**

Birthday Moses Gateway

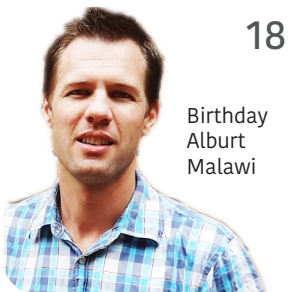

Simon and the South Sudan team are guiding some of the learners, who have completed their secondary education, into society. As a spirit of family is cultivated within AGCM, the desire is to see the children grow into responsible citizens who use their skills and testimonies to glorify God. **15**

Birthday Maryke Polokwane

16

The team in Kalungu is re-focusing their ministry as the Lord guides them into the new. Please pray for a permanent administrator to run the office. Lately they often face network problems such as no internet or phone signal. Pray for a solution. **17**

Birthday Alburt Malawi

18

The Lord is expanding our sphere of influence. We are excited about the young adults who step out in faith into foreign countries to make God known through their expertise. Pray for A* & D* in North Africa and T* in the Middle East. Pray for the release of C*s*documents to join T*. **19**

Etienne, Sumari launched the pioneer phase of Elpela ministry. Thank the Lord for the piece of land where they can establish the Elpela Camp and Art Studio. This is a long term venture. Pray for helping hands in this process. Pray for good relationships, protection and provision. **20**

Many learners from the Gateway School at Kotani Eden come from dysfunctional families. Gateway is organising a couple's seminar from 21 to 23 April to address this issue. Ask God for the restoration of the relationships between spouses in order to establish healthy families. **21**

A house was provided for the Smit-family at Okahandja. Pray for finances to renovate the place, and for opportunities to build trust relationships in order to minister to needy people. Pray a blessing over this family. **22**

God faithfully provided a piece of land with water, agricultural soil and a few buildings for Georg and Karin from Polokwane to build a safe haven for fatherless children. Pray for His provision to develop the land. It is a challenging faith venture, but an excellent ministry opportunity. **23**

Bernice and Reinette testify of breakthroughs in the lives of the teachers from Eagles Nest who attended the first 2 weeks of the in-service discipleship training. Pray for change in their learners as they internalise and practise what they have learnt in the DMT. **24**

Daniel and Julia's miracle baby is due today. Rejoice in the Lord as they have been waiting for years for this miracle. Pray for a safe delivery, the protection of mother and baby and for the proud father. Declare Him as the ONE who provides and answers our prayers! **25**

Eunice is back in Zimbabwe. Thank the Lord for much needed rain that resulted in a good maize harvest. Pray for Eunice, Carel & Solem who desire to start with the work, but the battle is severe as immigration offices and borders are closed. Ask the Lord to restore their peace, joy and faith. **26**

Jordan and Elizabeth's baby is due today. Pray for a safe delivery. Ask the Lord to bless them and to provide in all their needs. Pray that it will soon be possible for them as a family to visit Jordan's family in Australia to introduce the newest part of the family. **27**

Thank God for the people He is preparing to participate in the upcoming DMT foundation in Zambia (Gateway). Trust God for their readiness to allow a deep work of His Spirit in their lives as He equips them for His Kingdom. **28**

Longoli (AGCM South Sudan) desires to enrol in the agriculture training in Kalungu to develop his agricultural skills. It is very difficult for Sudanese to enter other countries. Stand with him in faith as he trusts that his visa will be approved, pray for the finances needed and for travel mercies. **29**

Pray for the administration team at Gateway. Pray for a successful leap into the new. Ina, who managed the office for many years is on her way. She has trained an admin team well. Pray for them for wisdom as they have to settle into challenging circumstances. **30**
